

# 2020 Prom Challenge

The 2020 Prom Challenge is a new program created in partnership with When We All Vote, MTV’s +1thevote, Rent the Runway, artists, and other brands, to celebrate and recognize 20 high schools across the country integrating voter registration into their schools in the most creative and impactful ways.

The winners of the competition will win grants up to \$5,000 for their proms and/or to support their voter registration efforts.

The 2020 election is a big milestone but so is your senior year.

For your school’s application to be complete, a school official needs to authorize the entering of your school into the competition.

Please have a school administrator fill in the information requested below and provide their signature. This form should be submitted alongside the official application at [mtvprom.whenweallvote.org](http://mtvprom.whenweallvote.org) by no later than March 13, 2020.
